480 Hours intensive THREE MONTHS COURSE | Tuitt Coding Bootcamp, Metro Manila, PH

BACHELOR OF SCIENCE IN COMPUTER | Asian College of Science and Technology, Metro Manila, PH

ABOUT ME

Quality time with those I love has always been a priority - this is how I picked up horseback riding with my mom, painting with my dad and photography with my son. As a personal hobby, I picked up Orangetheory fitness workouts in 2016, after committing help my friend lose over 20 pounds. After my friend reach her goal, these workouts became my passion - both because they push my limits and make me feel inspired.
